"WHAT IF...?" Workshop

Helen Sohne

STORM Stronger Together, Our Response Matters
CERT Community Emergency Response Team

On behalf of the presenters Dee Katz and Helen Sohne, as well as Van Kushner, our CERT Team Leader, we want to say, "Thank you Rainberry for a great turnout!" of the 7/26/25 "What if...?" Workshop. We talked about preparing for Hurricane Season. Everyone contributed to the discussion on the what, where, why and hows if Neighbors helping Neighbors. The points on the blackboard are the ideas that YOUR Neighbors brought to the table, see p 11. The many roles and tasks that volunteers can participate in were presented and discussed.

VOLUNTEERS

A prepared community is a resilient community; we're on the right track!
Wow- 30 attendees, 25 new volunteers signed up!
Thanks to the recruiting efforts of Deb Peters over the past year we have several more folks who have offered their help.

BUT we will need all hands on deck if we take a direct hit from a hurricane.

KEY SAFETY POINTS

For ALL volunteers present and future.
First steps after an emergency and ONLY during daylight hours:

- ◇ Ensure your own safety 1st, & that your home is secure.
- ◇ Then, report directly to the Club-house to sign in and receive assignment based on need and your ability/comfort.
- ◇ En route to sign in, observe and note visible damage to homes, downed trees, road blockages, flooded areas with locations.

Remember to:

- Wear closed toe shoes and long pants for protection.
- Bring water, flashlight, gloves.
- Watch for snakes, sharp objects, debris, unstable structures.
- Never walk in standing water.
- Stay in contact with your team leaders or CERT members.

Preparing and recovering from a hurricane can seem like a daunting task. But we know that Rainberry Bay is up to the challenge. We are a wonderful community of caring, involved people!

Questions or to volunteer, reach out to RainberrySTORM@gmail.com

"What If ...?" workshop was well attended and scores of volunteers came forward to help in a community emergency, but many more volunteers are needed. **Contact deb peters to help.** Karen Jensen photos

Opera/Ballet

Michael Cantwell

Rainberry Classics: as summer turns to fall, on offer is a potpourri of operas and one beloved ballet.

Claudio Monteverdi's L'Orfeo is considered the first opera ever composed. Premiered in 1607, the libretto is based on the Greek myth of Orpheus & Eurydice. L'Orfeo is "a theatrical work crammed with music of acute poignancy," and the performance we'll see is led by the celebrated Early Music scholar and conductor Nikolaus Harnoncourt.

Richard Strauss's Elektra was first performed almost 300 years after L'Orfeo. It too is based on Greek myth and intensely theatrical. The performance we'll see features the incomparable Hildegard Behrens in the title role.

Swan Lake is one of the most beloved of all ballets. We'll see Dame Margot Fonteyn & Rudolph Nureyev in a

performance choreographed by Nureyev when he was 26. Time permitting, we'll see excerpts and an alternative (happy) ending in a performance featuring the peerless Maya Plisetskaya in the dual role of Odette/Odile.

And for traditionalists, there is Verdi's La Traviata, in a performance led by Sir Georg Solti & starring Angela Gheorghiu.

3D Movies

David Kulick

Some of you may know that I really like 3D movies, in fact, I have hundreds. I think 3D adds a tremendous amount of realism. We do show them in the Theater and supply the glasses – if we run out of glasses we will show the movie again. We schedule them as the calendar allows, so you have to keep an eye on the Friday Eblast to see what's coming. There are some planned in advance; somewhere around Halloween I'll show The Rocky Horror Picture Show in 3D. The Time Warp scene is amazing.

There are some documentaries (including David Attenborough) in 3D, lots of Marvel movies (they do 3D very well), horror films, slasher films, even old flicks like Casablanca and The Wizard of Oz. There are music videos by Pink Floyd, Metallica, and Michael Jackson. So if you like 3D, or think you might, come by during a showing and watch. One caveat, the cheap glasses from movie theaters will not work for us, we use the Active DLP glasses if you like 3D and decide to buy your own glasses.

submitted by Lois Wiesler

Save all the small plastic lids (milk tops, etc.) and when you need to pot a plant, put the plastics in the bottom instead of gravel for drainage. They will never breakdown, the pot stays a little lighter and it will keep the plastic out of the landfill and oceans. It's not a big up cycle but it's satisfying.

Brainberry U offering MahJong Classes

by Marlene Elmowitz

MahJong has been around for a long time. My grandmother, mom, aunts, sister, cousins, and even my young nieces play. Many of you can remember hearing 1 dot, 3 bam during childhood years. Being newly retired I have quite a bit more time on my hands. I am a multi-tasker. For 40 years I worked full time in Corporate America. I raised 3 boys to men, always volunteered for causes dear to my heart, and kept busy. Along the way MahJong became my Sunday night date with my girlfriends. It was always great fun with lots of conversation and awesome snacks. After recently introducing a Rainberry girlfriend to the game, she said 'Marlene you are a great teacher'. So, I thought maybe I can teach the Rainberry community

MahJong and have it become like the popular game of Canasta. It would be great to start the same open play with MahJong on Wednesday afternoons. There have been 3 weeks of classes for about a dozen women. Seasoned Mahjong players assisted each week to offer skills and continue to guide the rookie players. The classes will repeat when the snowbirds return later in the year. Please stop by the clubhouse on a Wednesday @ 1pm to play or observe the wonderful MahJong world.

WHAT ABOUT THE WOMEN'S CLUB ?

BY ROYMI MEMBIELA

RAINBERRYWOMEN@GMAIL.COM

As a new year-long RB resident, the questions for me were which club to join, which classes to take, how could I become involved with my new neighbors and make new friends? As a non-athlete but creative type, I have met amazing people in the card making class as well as in the clay studio, while letting loose my creative side. But what else was there to do as a single woman who likes to get involved using my professional experience for

good causes ... here is when I felt inclined to explore our Women's Club. Learning that this organization in RB aimed at raising funds for non-profits was music to my ears. After speaking to several RB women, I felt there could be an opportunity to raise awareness on the role of the Women's Club, and to bring new events/activities, as well as a revived sense of excitement and fun for all. I believe that change is GOOD, so I said YES to the call to join the wonderful board of women who for many years have led the club's activities in a seamless way. As a newest board member supporting communications, marketing and events, you will be hearing a lot from me, as I hope to hear from you. We have a lot in the works that will

WOW you! I want to encourage women in Rainberry Bay to say YES to our membership drive which is about to start for the 2025-2026 year; this will be the best \$15 that you will invest, I promise! It's time for all RB women to have a new purpose to meet, greet and network while doing good for others. Be among the first 100 women to help us relaunch The Rainberry Bay Women's Club In Action. My phone line is open for takers ...text (my number is in the directory) or email me,

rainberrywomen@gmail.com, and let's discuss your ideas.

EAT BETTER LIVE BETTER.

What's New With Foodberry This Summer

by Marlene Elmowitz

This is my 1st summer being here since moving to Rainberry in 2021. I expect to soon be a full time Florida resident. Yes, it's hot, but the summer is enjoyable. Foodberry-wise, the club held a June Breakfast Club offering all residents bagels, lox and the fixings accompanied by coffee and sweets. There was a great turnout. In July, our members enjoyed a heart

healthy cooking class. Recipes from members included escarole bean soup, corn and bean salad, and a shrimp taco with slaw and a luscious avocado yogurt sauce. All recipes can be found on our Teamreach and Facebook page. Many great Foodberry events will be held in '25-'26. The club consists of Rainberry residents who enjoy either cooking, eating, setting up or cleaning up. But most importantly everyone enjoys making new friends during our activities. Reach out to the club via email rbfoodberryclub@gmail.com with any questions or new ideas.

Put a Quarter in a Coffee Cup

submitted by Lois Wiesler

Always put a coin on a frozen cup of water before storms. It's called the one cup tip. Put a cup of water in your freezer. Freeze it solid and then put a quarter on top of it and leave it in your freezer. That way when you come back after you've been evacuated you can tell if your food went completely bad and just refroze or if it stayed frozen while you were gone. If the quarter has fallen to the bottom of the cup that means all the food defrosted and you should throw it out. But if the quarter is either on the top or in the middle of the cup then your food may still be ok. It would also be a great idea to leave this in your freezer all the time and if you lose power for any reason you will have this tip to fall back on. If you don't feel good about your food, just throw it out. The main thing is for all to be safe.

PET SAFETY AROUND BUFO TOADS

Bufo toads, aka Cane Toads, are highly toxic amphibians.

They pose a serious threat to pets due to the potent toxins they secrete onto their skin from glands on the side of their head. These toxins can cause severe health issues or even be fatal if ingested or licked by pets.

Size: Large, can grow up to 6-9 inches.

Color: Brown, grayish-brown, bumpy textured skin.

Generally on the ground - not great climbers.

These are **not** the guys with sticky feet.

Symptoms of Toad Poisoning in Pets:

Excessive drooling, foaming at mouth

Pawing at mouth, eyes, RED (not pink) gums, agitated behavior, vomiting, seizures, muscle tremors, stiff appearance, or unsteady walking

FIRST AID -

Wipe out pet's mouth thoroughly with wet cloth. DO NOT attempt to rinse with a faucet or hose as this can inadvertently cause aspiration and even drowning. Be careful not to get bitten as it may be beyond your pet's control.

Veterinary Help: Contact veterinarian immediately or go to an emergency clinic or hospital.

In Loving Memory

Sincere condolences to Lois Wiesler on the death of her brother Robert. Robert was a gentle man who loved his family most sincerely, and who was greatly loved in turn by them. He will be greatly missed. May his memory be a blessing.

Heartfelt sympathy goes out to Jay Hersch on the loss of his beloved wife Rose. In Rainberry, Rose enjoyed card making, crafts, and working in the library. But most of all she loved spending time with her sons and her grandchildren.

Rest in peace, Rose. You will be missed.

Sadly, our community recently lost Jacquie Turpie. She was the cherished wife of Tom Turpie. Jacquie was always full of warmth, humor, and love for her family and community. She ran several free clinics in the early days of pickleball in

Rainberry Bay. Jacquie was passionate in her dedication to teaching tennis and running kids' tennis camps. A highly ranked player in Eastern & Middle states and Director of Tennis at many clubs, Jacquie was a USPTA & PTR certified tennis teaching professional and was awarded Elite Professional status by USPTA and life member of USPTA in recognition of her many years of service to tennis. Highly regarded as a top-level coach of junior tennis players, she founded Grassroots Tennis into a 200 plus junior league and taught children's clinics several times a week up until her cancer diagnosis in March 2025. There will be a Celebration of Life at Ibis Pavilion in Lake Ida Park on Saturday, October 4 at 1pm. It will be open to everyone who knew Jacquie. Her cremains will be privately interred at sea.

Rainberry Bay mourns the passing of Doris Osborne. Doris was a long time Rainberry resident and served on the Board of Directors. Rest in Peace.

Charles Fraumeni will be sorely missed by his loving and cherished wife, Helen. Charlie enjoyed playing cards with Rainberry friends and before his illness was active in the Bowling and Bocce clubs. Charlie always volunteered to work the grills at the Rainberry Tennis Club BBQs and had a ready smile for everyone he encountered. Charlie was loved by his brothers and will be fondly remembered by his beloved children, grandchildren, extended family and his many friends.

We mourn the death of Joe Casello, a warrior for justice, decency, and democracy. Joe was a firefighter for decades in Massachusetts and later a member of the Boynton Beach City Council. He was our current District 90 representative in the Florida House. He touched the lives of all who knew him and everyone he served and will be greatly missed by his loving family, friends, and colleagues. Prior to being removed from life support, Joe released his final public statement:

“My life has always been about public service and meeting the needs of my community. Serving as both a firefighter for 33 years and an elected official for 13 years has been the greatest honor of my life. Representing the people — through times of unity and division, triumph and challenge — has been a privilege I will always cherish. Of all my responsibilities, my favorite was doing constituent services. Helping people in their times of need wasn't just part of the job — it was a calling and a privilege that I will always hold close to my heart.”
